

How is the Evaluation Process for The Selluka Plaque Certificate?

The Committee meets under the chairmanship of Izmir Provincial Directorate of Culture and Tourism and Konak District Directorate of Agriculture and Forestry. Other members are elected from an evaluation committee consisting of 16 representatives according to the service offered by the applicant business. The applicant business is examined by the committee, which will be formed with the participation of 5 (five) representatives to be elected from the members of the evaluation committee. The decision regarding the business that applied to receive the "Selluka Certificate and Plaque" is taken with the participation of 16 (sixteen) members who form the evaluation committee and is made with the consensus of the representatives contributing to the evaluation.

The rating system of the evaluation will be as follows;

50-70 points: 1 Selluka flower,

71-85 points: 2 Selluka flowers,

86-100 points: corresponds to 3 Selluka flowers.
